

“Early Bird” Registration for 2020/2021 Club Mont Ste Marie Alpine Racing Program:

Online June 7 – June 21, 2020. This early registration is offered to returning athletes and their siblings for the U10-U16 programs. U18 athlete registration is open to all interested parties regardless of previous affiliation with Club Mont Ste Marie.

All families should register their athlete(s) online at <http://www.clubmsm.org/en/registration/> to secure a spot. When registering online, please remember to register for the MANDATORY “one per family” item (listed below) in addition to the athlete(s) program level(s) and complete all fields.

Please email the completed and signed [Consent and Assumption of Risks Form](#), and signed Appendix A of the [Code of Conduct forms](#). You can find the blank forms on the www.clubmsm.org website. We will advise as soon as the ACA/SQA Race Card Form is available or required for 2020/2021.

A \$500 deposit per athlete plus the \$100 Club membership per family is required by June 21, 2020 to complete registration. The deposit and balance can be paid by email transfer to payment@clubmsm.org (please use ClubMSM as the answer to the security question), or by credit card through PayPal. Please note – for those who pay by email transfer, by November 15, 2020, a credit equal to 3% of the program fee, will be applied to their club account. Failure to pay in full before start of program (either regular season or pre-season camp if applicable) renders the racer unable to join the team until paid in full. The deposit will be refundable up until December 1st 2020 in the event of physical incapacity of the athlete or a continuance of the restrictions imposed by the Quebec government related to the COVID-19 pandemic. The \$100 Club membership fee is non-refundable.

Any adjustments to the account balance, i.e. a previous year credit, will be addressed by emailed statement once online registration and deposit are completed.

Club Mont Ste. Marie 2020/2021 Season Alpine Fees					
	U10	U12	U14	U16	U18 [†]
Program Fee*	\$1,779.00	\$1,885.00	\$1,994.00	\$2,093.00	TBD

* The Program fee includes Dryland training beginning in September (Tues/Thurs/Sun), Saturday and Sunday training from December 12 until March 21 (weather permitting), December holiday camp, all core regional zone races, and speed camp for U14 and U16 athletes. All costs incurred for non-core events including but not limited to Provincials, will be invoiced to those athletes who attend.

** The volunteer fee can be earned back at a rate of \$80 per volunteer credit earned up to a maximum of 8 credits. More information on how to volunteer will be sent through the CMSM newsletter.

*** Race card and race entry fees are subject to change based on fees set by OSZ, SQA, and ACA.

† The U18 program requires a minimum of 5 registered athletes. Fees include Tuesday, Friday, Saturday and Sunday training. Additional fees for travel and accommodations will apply.

U10-U16 Registration for additional training on Tuesday evenings and/or Fridays will occur in September.
